

SPECIAL DROP SHIP OFFER

OPTION 1 REDUCED DROP SHIP FEES

- discounted rate of \$7.50g per location
- addresses must be filled in on ETS supplied worksheet
- shipper number or freight applies
- offer applies to USA shipments only, no international
- WGS are available with this option, but will be shipped in WGS box
[please note outer package will show typical scratching/scuffs from shipment handling]

OPTION 2 REDUCED DROP SHIP FEES + GROUND FREIGHT

- discounted rate of \$20g per location
- addresses must be filled in on ETS supplied worksheet
- must ship on ETS account
- includes shipping cartons
- includes ground freight to any location [commercial or residential that accepts UPS shipments]
only in the contiguous USA [48 states]
- one item per location [SGS and gift sets + mailers excluded]
- WGS are available with this option, but will be shipped in WGS box
[please note outer package will show typical scratching/scuffs from shipment handling]

A return address is required for all drop ship orders. Any returned shipments will ship back to the provided address and any return fees imposed by the carrier along with freight will apply. Up to 2 additional invoices may be sent after the original invoice to bill for any applicable charges.

see website for any offer updates or contact us for additional information - offer valid through 10.31.2022

Due to special handling requirements, drop ship requests may not qualify for rush services. Please note all drop ship options require extra handling time in addition to any quoted production time. Offer subject to change without notice or may not be available to accept requests due to capacity.
